Investors who already follow Parity Group plc on the Investor Meet Company platform will automatically be invited.

There are currently no UK government restrictions on public gatherings, so the Company is proposing to hold a physical AGM and to welcome the maximum number of Shareholders possible within safety constraints. However, given the uncertainty around whether Shareholders will be able to attend the AGM, whether because their circumstances change or due to a change in the situation with the COVID-19 pandemic, all Shareholders are still strongly encouraged to appoint the Chairman of the AGM as their proxy.

Given the constantly evolving nature of the situation, the Company may need to adapt these

arrangements to respond to changes in circumstances. On this basis, should the situation change such that it is no longer considered possible for Shareholders to attend the AGM, the Company will make information about alternative arrangements available on its website and, where appropriate, make an announcement of the change via a Regulatory Information Service. Any updates to the position will be included on the Company's website at www.parity.net.

Accordingly, the directors unanimously recommend that you vote in favour of the resolutions as they intend to do in respect of their own beneficial shareholdings. Explanatory notes in respect of the resolutions proposed are set out in Appendix 1 to this Notice.

A member is entitled to appoint another person as his proxy to exercise all or any of his rights to vote at the meeting. A member may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him. A proxy need not be a member of the Company.

2. A form of proxy is enclosed with this Notice and instructions for completion are shown on the form. To appoint a proxy,

(a) the form of proxy, and any power of attorney or other authority under which it is executed (or a duly certified copy of any such power or authority), must be completed and deposited with the Company's registrars, Equiniti Limited at Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA or

(b) the proxy appointment must be lodged using the CREST Proxy Voting Service in accordance with note 5 below, in each case so as to arrive by no later than 12:00pm on 6 June 2022, being 48 hours before the start of the Annual General Meeting, or, if the meeting is adjourned or a poll is taken, not less than 48 hours before the holding of the meeting or the taking of the poll, or if a poll is taken more than 48 hours after it is demanded, not less than 24 hours before the time appointed for the taking of the poll.

In order to have the right to vote at the meeting (and also for the purpose of determining how many votes a person entitled to attend and vote may cast), a person must be entered on the register of members of the Company at 6.30 p.m. on 6 June 2022, or, in the event of any adjournment, at 6.30 p.m. on the date which is 2 days before the start of the adjourned meeting (ignoring any part of any day that is not a working day). Changes to entries on the register of members after this time shall be disregarded in determining the rights of any person to attend or vote at the meeting.

4. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.

5. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & International Limited's ("Euroclear UK & International") specifications and must contain the information required for such instruction, as described in the

CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time for the receipt of proxy appointments specified in note 2 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

6. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK and International does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

7. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertified Securities Regulations 2001.

8. If you are an institutional investor you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. APPENDIX 1 – EXPLANATORY NOTES ON RESOLUTIONS TO BE PROPOSED AT THE ANNUAL GENERAL MEETING

RESOLUTION 1 – ANNUAL REPORT AND ACCOUNTS

The board of directors will present its report and the accounts of the Company for the financial year ended 31 December 2021 together with the auditors' report thereon.

RESOLUTION 2 – REMUNERATION REPORT

The vote is advisory only but the views of the shareholders will be taken into account by the Company's remuneration committee. The directors' remuneration report is set out on pages 26 to 31 of the report and accounts of the Company for the financial year ended 31 December 2021.

RESOLUTION 3 RE-ELECTION OF DIRECTORS

Article 92 of the Company's articles of association requires that one third of the other Directors or, if their number is not a multiple of three, then the number nearest to but not exceeding one third, shall retire from office by rotation.

Accordingly, Mr D Firth retires and offers himself for re-election as a director. The board presents the following biographical information in respect of the directors offering themselves for re-election:

Mr D Firth, Non-Executive Director

David Firth, 61, was appointed to the Board as a non-executive Director on 14 September 2016 and is Chairman of the Audit and Remuneration Committees and is a member of the Nominations Committee. David was previously the Finance Director of Penna Consulting plc for over 16 years and has a wealth of experience in the people management and consultancy markets. Prior to that, David held senior finance positions in public companies across a number of sectors including financial markets, recruitment, IT services, motor retailing and advertising. He was a member of the finance team at Parity Group plc for the period 1993 to 1999, serving as its Group Finance Director from 1995.

RESOLUTIONS 4 AND 5 – REAPPOINTMENT OF AUDITORS AND AUDITORS' REMUNERATION

The appointment of Grant Thornton UK LLP as auditors of the Company terminates at the conclusion of this Annual General Meeting. The directors recommend the reappointment of Grant Thornton UK LLP and seek authority to determine their remuneration.

RESOLUTION 6 – DIRECTORS' AUTHORITY TO ALLOT SHARES

Under the Companies Act 2006 (the "Act"), the directors of a company may only allot unissued shares in the capital of the company or grant rights to subscribe for, or convert any security into, shares in the company if they are authorised to do so by the shareholders at a general meeting or by the company's articles of association. The authority is in two parts. Part (a) limits the directors' authority to allot shares to an aggregate nominal amount of £687,170, representing approximately one-third of the Company's issued ordinary share capital as at 13/05/2022 (being the last business day prior to the publication of this Notice). The Company does not currently hold any shares as treasury shares. This authority will expire at the conclusion of the next Annual General Meeting to be held in 2023 and replaces the existing authority. The Company has passed resolutions on this basis for a number of years. In line with the guidance issued by the Investment Association part (b) of the authority would confer on the directors authority to issue shares or grant rights to subscribe for or convert any securities into ordinary shares up to an additional aggregate nominal amount of £687,170, representing approximately one-third of the Company's issued ordinary share capital as at 13/05/2022 (being the last business day prior to the publication of this Notice), but only in connection with a rights issue. The directors have no present intention to use these authorities but consider it desirable that they should have the flexibility to allot unissued shares if circumstances arise where it may be advantageous for them to do so.

RESOLUTION 7 – PARTIAL DISAPPLICATION OF PRE-EMPTION RIGHTS

This resolution will, if approved, renew the directors' authority to allot equity securities (as defined in the Act) for cash and otherwise than to existing shareholders pro rata to their holdings. This authority, which will expire at the conclusion of the Annual General Meeting of the Company to be held in 2023, is limited to the allotment of (a) equity securities in connection with a rights issue and (b) equity securities up to an aggregate nominal amount of £103,075, representing approximately 5% of the Company's issued ordinary share capital as at 13/05/2022 (being the last business day prior to the publication of this Notice). The authority will also include any sale by the Company of shares held as treasury shares. The directors intend to observe the institutional guidelines in respect of allotments of shares for cash. These presently require that the annual authority should not exceed 5% of the issued ordinary share capital and that no more than 7.5% of the issued ordinary share capital should be allotted for cash on a non pre-emptive basis in any rolling three year period without prior consultation with the shareholders.

RESOLUTION 8 – AUTHORITY TO MAKE MARKET PURCHASES OF ITS OWN SHARES

This resolution will, if approved, renew the authority of the Company to purchase up to 10% of its issued ordinary share capital in the market. The maximum and minimum prices are stated in the resolution. This authority will expire at the conclusion of the Annual General Meeting of the Company to be held in 2023.

The authority granted by this resolution will only be exercised if the directors believe that to do so would result in an increase in earnings per share and would be in the interests of shareholders generally.

Under the Act, companies whose shares are traded on AIM may hold shares that they purchase in treasury as an alternative to cancelling them. Such shares may subsequently be cancelled, sold for cash or used to satisfy share options or awards under share incentive plans. The Company is not entitled to exercise any rights, including the right to attend and vote at meetings, in respect of these shares whilst held in treasury. In addition, no dividend or other distribution of the Company's assets may be made to the Company in respect of such shares.

If the directors exercise the authority conferred by resolution 8, they may consider holding those shares in treasury rather than cancelling them. The directors believe that holding shares in treasury would give the Company the ability to allot treasury shares quickly and cost effectively and may provide the Company with greater flexibility in the management of its share capital.

The total numbers of options to subscribe for ordinary shares that were outstanding as at 13/05/2022 were 4,510,000. In addition, as at that date, the Company had 3,500,000 warrants to subscribe for ordinary shares outstanding. The proportion of the issued ordinary share capital of the Company conferring the right to vote that such options and warrants represented at that time was 7.85% and the proportion of the issued ordinary share capital of the Company conferring the right to vote that they will represent if the full authority to purchase shares is used is 8.63%.
